## A LEVEL

The Cambridge International Advanced Level (A Level) qualification is a two-year educational programme designed for students aged 16 to 19 years, serving as a rigorous preparation for higher education and beyond. Widely acknowledged by universities worldwide, A Levels provides a thorough and specialised curriculum that equips students with the skills and knowledge necessary for success in their chosen university courses.

### MANDATORY

Students choose 4 subjects (Y1 - 3AL + 1AS; Y2 - 3AL OR Y162 - 4 AL)

### SUBJECTS

- Global Perspectives
- Mathematics
- Biology

#### OPTIONAL:

Physical Education (National Curriculum Classes) - Students can choose this subject, with no extra cost.

**Note:** Applying to Portuguese Universities with A Levels

If applying to Portuguese universities using the A Level pathway, 3 full A Levels are required, and this is usually the best option for those applying to international universities as well. Candidates should check if there are specific A Level subjects required for the particular course and university they are applying to.
