## Mission Statement

At Colégio Rainha D. Leonor, our mission is to unlock and nurture the full potential of every student. We are committed to providing high-quality education that fosters intellectual curiosity, personal integrity, and social responsibility. By valuing each child as unique, we prepare our students to become lifelong learners and active citizens, able to thrive in a global context while remaining connected to Portuguese culture and values.

## Our Heritage

Colégio Rainha D. Leonor proudly bears the name of Queen Leonor of Portugal (1458–1525), a historical figure remembered for her vision, generosity, and commitment to education and social welfare. By invoking her legacy, we affirm our dedication to knowledge, compassion, and service to the community. Just as Queen Leonor promoted learning and the common good in her time, we are committed to inspiring students to grow as principled, caring, and globally aware individuals in today's world.

## Educational Values

We are guided by the principles EDU:

- **Excellence:** Commitment to quality and continuous improvement in every project and in teaching, ensuring that each student reaches their full potential – becoming knowledgeable, principled, and reflective learners who aim high.
